GRAND PALMS GOLF COURSE

NOT INCLUDED

ENTRY

ENTRY

The information shown on this site plan was prepared for sales purposes and does not show details which appear on the recorded plat.

The shore lines of the lots abutting the lake are subject to change due to variation in the water table. In addition, the actual water lines on the lakefront lots can vary from the locations shown on the plat due to the excavation of the lake by the developer.

For details concerning lot dimensions and easement locations, see the plat in sales office.
